

User
- Id: int - Name: string - UserName: string - Email: string - Password: string - RoleName: string
+ method(type): type

Student
- UserId: int - /age : int
+ method(type): type

Faculty member
- UserId: int - SsNo : int {Unique,readonly}
+ method(type): type

Notification
- NotifId : int - Message : string - IsRead : bool = false - DateSent : Date
+ method(type): type

Course
- CrsId : int - CrsName : string - Description : string
+ method(type): type

CourseRegistration
- Grade : double[2...7]
+ method(type): type

CourseVideos
- VideoId : int - VideoPath : string[1...*]{Unique}
+ method(type): type

Schedule
- scheld : int - Date : date - EventType : string
+ method(type): type

Exam
- ExamId : int - Title : string - Type : string - Date : date
+ method(type): type

Questions
- QuestionId : int - Text : string - CorrectAnswer : string
+ method(type): type

StudentAnswers
- AnswerId : int - Answer : string - IsCorrect : bool = false
+ method(type): type

Evaluation
- EvaluationId : int - Date : date - comment : string
+ method(type): type

Questionnaire
- QuestionnaireId : int - Type : string - Title : string
+ method(type): type

EvalQuestion
- QuestionId : int - Text : string
+ method(type): type

QuestionResponse
- Responseld : int - Rating : int [0...5]
+ method(type): type
